

Thank you for your interest in completing your 2020 census. If you did not receive a census package at your Montreat home, you may complete your census online or by phone without a unique Census ID number. Here are instructions to do so.

### For Online completion:

1. Go to <https://my2020census.gov/login>.
2. Notice at the bottom of the page a link entitled **"If you do not have a Census ID, click here."**

3. Then, follow the registration questions, which will in turn lead you to the actual census form. It will take less than 8 minutes to complete the census online. Please remember that the Census Bureau works from street addresses, not PO Boxes, so please use your street address.

### For Telephone completion:

If you do not have online access or don't wish to complete the census in that manner, you may do it over the phone by calling **844-330-2020** and completing by phone. Note that the Census Bureau has had to reduce staff so the wait may be long.
